OUTLAWS

"ANTHOLOGY 1975-1981" 4-CD

- At the crossroads of Southern Rock and Traditional Country music stood one band - Outlaws - and this **box set of live recordings and rare studio outtakes** is the most comprehensive collection ever made of the band!
- Over **4 hours of incredible southern fried rock**, featuring the triple guitar assault of Hughie Thomasson (later of Lynyrd Skynyrd), Henry Paul (later of Blackhawk) & Billy Jones, playing live for a thrilled crowd at the very height of the band's popularity - the **band's debut album hit #13 on the Billboard album chart in 1975!**
- Highlights include the epic "**Green Grass & High Tides**" plus "**There Goes Another Love Song**", "**Hurry Sundown**" and, of course, the band's unforgettable version of "**(Ghost) Riders In The Sky**"!
- Also includes a full disc of demo recordings from the early album sessions **PLUS 8 songs that have never before been released!**
